## Christopher Lauinger

### Summary

Maker of things architectural: *buildings* and *software*. Explorer of design ambition, with the problem-solving needed to turn ideas into reality.

### Experience

- *Santa Monica Proper Hotel*: facilitated construction admin for a 277 guestroom five-star hotel, of new construction and historic building adaptive reuse
- *Uniqlo Chicago*: headed exterior renovation production, coordination & construction administration for flagship multi-story building in prominent location
- *Sears South Coast Plaza*: responsible for project management & CD production for new storefront and interior layout for store reconfiguration
- *Sears Colonie*: lead exterior remodel tasks, including project management, CD production & construction administration
- *Forever 21 South Coast Plaza*: headed new exterior facade & storefront design, project CD production & construction administration
- *Sewoon Towers, Seoul Korea*: lead team schematic design for two tower project and produced 3d modeling for design & renderings
- *U-Dong Mixed Use, Pusan Korea*: acted as project architect running structural coordination & CDs for 105 unit condo/residential adaptive reuse project
- *Biscuit Lofts, Los Angeles*: provided retail podium design & 3d modeling
- *Pan American Lofts, Downtown Los Angeles*: produced construction documentation for 40 unit condo/residential adaptive reuse of a 100 yr old building
- *Chipotle Restaurants*: provided various services, e.g. schematic designs and/or directed CD production & construction admin for 25 restaurants in five states
- *Grosse Pointe United Methodist Church*: produced design, construction documentation for 400-seat church.

### Skills

- Architectural design
- Construction documentation
- Type-1 construction, building codes CBC & IBC
- Construction administration
- AutoCAD, Revit, Rhino3D, 3DS Max, FormZ
- Microsoft Office Suite, Bluebeam Studio
- Adobe Suite: Illustrator, PhotoShop & InDesign
- Web Design, Javascript, NodeJS, CSS, HTML
- iOS/Swift, C/C++, Arduino

### Education

BS in Architecture, 1996, Lawrence Technical University, Southfield, Michigan
